Comprehensive Therapeutic Services for Children & Families

TERRI WINER, Owner- Director of Operations

Terri Winer has spent two decades in the planning, implementation and management of programs for children and youth in both residential and community-based settings. She has experience in the creation and management of Youth Justice Programs, Community Youth Outreach and Support, Not for Profit Management, Foster Care OPR Management and Camp Operations & Facilities Director.

Throughout her career, Terri has had roles in HR management, Policy & Procedure development, as well as Operations, Strategic Planning, and Licensing Requirements. She has been responsible for organizing volunteers, increasing client base, employee engagement, community awareness, and business relations. She is a graduate of the University of Waterloo and has completed numerous certificate courses at McMaster University, including Human Resource Management, Innovative Problem Solving, and Principles & Practices of Supervision, Employee Motivation, Effective Goal Setting and Leadership Management. She is also a certified Canadian Camp Director who spent five years providing a camp experience to over 600 children per year. This challenging position allowed Terri to expand her skills in program development, large facility operations and employee management. She is a **S.A.F.E Home Studies Practitioner** as well as a **S.A.F.E Home Studies Supervisor**. Terri is a Certified Instructor Trainer for the Red Cross. She has facilitated SNAP, Anger Awareness, Victim Awareness, and Team Building sessions. In her spare time, she continues to volunteer with the Lions Guide Dog Foundation. She and her three sons, foster puppies in their home for the first year of their life to socialize them and give them the basic training needed to become a guide dog.
