

MAREAS

Comprehensive Therapeutic Services for Children & Families

Daniel Ramos, EA Specialized Support Worker

Daniel is a graduated from Niagara College with a diploma from the Educational Assistant program, in addition his concentration was in Autism and Behavioural Sciences.

Daniel's education, training and work experiences has afforded him the opportunity to develop strong working relationships with clients and the community. Daniel has had the opportunity to utilize his skills in a variety of settings including schools, youth programs, detention centres, and community environments.

As a leader and mentor Daniel is passionate and devoted to influencing the lives of children & youth. Daniel ensures each individual reaches their potential by taking into consideration each individual needs and creates opportunities to reach their greatest potential to find success. Daniel builds a sense of community and mentoring through his enthusiasm and coaching of football and organizing basketball tournaments

Daniel was born in Colombia and is fluent in English & Spanish. Daniel draws inspiration and dedication as a husband & father of 3 young children.
