

# MAREAS

*Comprehensive Therapeutic Services for Children & Families*

## **KAYLA NEPRILY, CYC** **Specialized Support Worker**

Kayla is a graduate with honours from Niagara College, Child and Youth Care program. Kayla is currently pursuing Social Development Studies with a specialization in Education at the University of Waterloo.

Through her educational journey, Kayla discovered her passion for social justice, inclusiveness, and the need for diversity appreciation and awareness in the community. Kayla has a strong passion for education and being able to share her perspectives and support to those around her.

Kayla has 3+ years experience in the field working in various settings and environments so she could gain a variety of valuable transferable skills. Kayla has strengths in communication & rapport building, having the ability to build trusting client relationships to help individuals reach their potential and personal goals.

Kayla has experience with vulnerable and marginalized populations and takes pride in her empathetic approach when working with many different populations. Kayla strives for others to embrace their individuality and uniqueness, all while reaching their personal goals and dreams.

Kayla is a compassionate human being with a free spirit. Kayla was born and raised in the Niagara Region, spending most of her time with her dogs or with friends in the outdoors appreciating nature.

*“The journey through life is important, but what you learn during your journey is more important.” – Debasish Mridha*
