

MAREAS

Comprehensive Therapeutic Services for Children & Families

Teresa Orbillo, HBSc, BCN, MEd Candidate **Family Outreach Specialist**

Teresa obtained her Honours Bachelor of Science with a double major in: Psychology, Exceptionality in Human Learning and minor in Biology at the University of Toronto. She is currently completing her Masters in Developmental Psychology and Education with an emphasis on Program Evaluation at OISE, University of Toronto.

Teresa has experience with individuals of all ages and neurodiversities in 1:1 and group settings. She has 5+ years of clinical experience as a: Neurofeedback/Biofeedback Therapist, Respite worker and Behaviour Clinician.

Teresa has worked with individuals with complex needs, ASD, ADHD, MDD, BPD, OCD, Anxiety, and TBI/ABIs. She is an advocate for inclusivity and is actively working towards decreasing neurodiversity stigma in the community. Teresa believes in an evidence-based holistic approach to working with clients and strives to make positive impacts with those she works with.

Teresa's clinical training includes:

- Board Certification in Neurofeedback (BCN) #E6560
